

Victim Rights in Washington State: Training Overview of Statutes and Case Law

This 12-hour (2-day) advanced training presented by the Washington Coalition of Crime Victim Advocates is designed to promote understanding of victims' rights in Washington State. Join community and system based advocates while learning about victim rights on a federal and state level and in juvenile court. Actual case examples will teach how to find the resources and services needed for crime victims.

All crime victims have the right to be present, notified, heard, and the right to restitution, an advocate, protection, records and the right to be treated with dignity and respect!

Learn how to protect and advocate for these rights.
